Donations for the Bag2School collection can be brought into school any time before Thursday 30<sup>th</sup> June and left in the Reception area.

Congratulations to the children in Segedunum who won the House Competition last half term; Miss Honeyman will be organising a celebration for them after the Ford Castle residential trip.

Well done to our Y3 / Y4 tennis team who won the local competition at Allendale, and came 4th in the Tynedale finals at Mowden Hall. Thanks to Mrs Dunn for coaching the Year 3s and 4s. If the pupils are keen for more tennis, Allendale Sports Club has excellent courts and facilities.

Well done to the Y5 football team team who played really well against local middle schools. We didn't win any matches but everyone played with great spirit, a good effort by all the players, including those who haven't played much competitive football before. William Best was team captain and thanks to Anna for playing with great determination against all the boys!

Also well done to the Y3/Y4 tag rugby team. We sent two teams to the Tynedale finals at Hexham Middle School; there were 11 teams altogether. Well done to the B team who finished a creditable 8th. The A team played great attacking rugby and finished as Runners-up, just behind Sele School. Well done Jem Henderson, our top scorer, with 13 tries and Molly Baynes, team captain.

Finally, we have another talented sportsperson; Jake Robson is

representing Northumberland at County Cricket level.

As the weather has warmed up and we will hopefully have more sunny days, keeping well hydrated is very important. All children should bring a named water bottle to school; we have a water dispenser so chilled fresh water is readily available. Children should also wear sun protection such as sun hats and sun screen, preferably applied before school if long lasting or a named bottle can be brought in for children to apply their own. Sun screen must not be shared with other children in case of allergy and should not be applied by a member of staff unless there are special circumstances. Our Sun Protection Policy is available in full to read on our website.

Last Year's Y6 children took part in a local history topic and produced a village trail booklet which has now been published. The Village Trail booklet costs £2 and is available from the AONB office at the Village Hall. All proceeds will go to the new community benefit society, Allen Valleys Enterprise, and used for future heritage publication initiatives that the community propose.

As you will see from the list of dates, we have a morning planned when the children will spend some time in their new class. I know some parents have asked but the classes from September are not yet decided as we have had some enquiries about new children possibly starting with families thinking of moving into the area so we would like to try and confirm numbers in each year group before planning classes.

We have many activities that take place in school where parental help would be much appreciated. A few parents have approached various members of staff to offer their help; if you have some time and would like to help in school with such things as outdoor learning, trips, sports events, workshops etc. please speak to a member of staff or send an e-mail to [admin@allendaleprimary.northumberland.sch.uk](mailto:admin@allendaleprimary.northumberland.sch.uk) and we can compile a volunteer register.
