

English

In English we will create pieces of work around the Stone Age. This will include diary writing, descriptive techniques and story writing. We will also be looking at more technical aspect of writing and ambitious vocabulary.

The Stone Age

Spring Term 2

ICT

ICT this half term will focus on coding. Children will recap skills in processing code and using programs such as Scratch and Kodu to create different projects.

Science

In Science we will be looking at light. This will include the structure of the eye, how we see, how light travels and can be reflected and refracted. We will be developing our investigation skills through working scientifically.

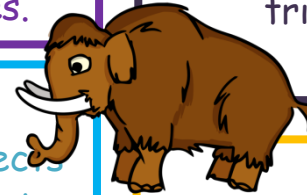

Art

We will be creating cave paintings using natural materials on a rough background to tell stories.

DT

We will be working on projects including making models of the eye and designing and creating hill forts from the Stone Age.

PE

The class will be receiving badminton coaching from Mr Rickets (Mondays) and working on trigolf with Mr Vincent (Wednesdays).

French

Mr Davies will be continuing to teach French, focusing on conversational skills.

History

In our topic on the Stone Age, we will be looking at life in the Stone Age, houses, problems faced and ways of interpreting non-written historical evidence.

Music

We will be learning drumming this term, as well as completing a musical theatre workshop.

PSHEE

Kestrel Class will be taught PSHEE by Mrs Hawkins this term. They will be looking at topics such as drugs, relationships and well-being.
