

English

In English we will be using the book of Harry Potter and the Philosopher's Stone as inspiration for genres such as biographies, story writing, diary writing and creating magazine articles.

Harry Potter

Kestrel Class Autumn Term 1

ICT

ICT will be taught in two parts. Mr Vincent will teach the class about E safety. Miss Honeyman will be looking at recapping on last year's coding skills and developing their general ICT skills.

Science

In Science we will be looking at sound: how it is made, how we hear, how it can be altered and how soundproofing works. This will involve looking at different musical instruments and carrying out several investigations.

Art

The class will work on several Art projects linked to our topic, including silhouette picture and portraits.

PE

The class will be receiving football coaching from Mr Rickets (Mondays) and working on cross country with Mr Vincent (Tuesdays).

DT

We will be working on DT projects linked to Harry Potter, including making a mandrake protector and packaging for sweets.

Spanish

The class will continue to be taught Spanish by Mrs Hawkins, recapping their learning from last year.

Geography

In Geography we will be looking at reading map and navigation skills. This will include looking at grid references and creating our own maps.

RE

In RE we will be looking at Sikhism, with a focus on worship and communities.

PSHEE

Kestrel Class will be taught PSHEE by Miss White this term. They will be working on an anti-bullying unit and discussing the school rules.
