

### English

In English we will create pieces of work around World War II. This will include looking at letter and diary writing, as well as work surrounding famous war poets. We will look at writing from different perspectives and including historic details.

### Science

In Science we will be exploring the topic of Space by looking at the different astronomical bodies, including the planets of our solar system. We will examine how night and day occurs and the influence of the sun and moon on the Earth.

### History

In our topic on World War II, we will be looking at the home front, famous battles, historical figures, evacuation, air raids, the Holocaust and the lasting effects of the war.

# WORLD WAR II

**AUTUMN TERM**

### Art

We will be creating art work to commemorate the lives lost by those fighting in the war.

### DT

We will be working on projects including making models of gas mask carriers and air raid shelters.

### Maths

In Maths we will be working on algebra, shape (including movement) and ratio, with a strong focus on fractions, percentages and decimals.

### ICT

ICT this half term will focus on word processing using programs such as Publisher and PowerPoint to add information and pictures for different purposes.

### PE

The class will be receiving basketball coaching from Mr Rickets (Mondays) and working on team skills including hockey with Mr Vincent (Wednesdays).

### French

Mrs Hawkins will be continuing to teach French, focusing on conversational skills.

### PSHEE

PSHEE this term will be focusing on healthy living. This includes healthy living and lifestyles, but also focuses on mental health and wellbeing.
