

English

In English we will be looking at creating mystery stories, based around the book 'The Mystery of Wickworth Manor'. We will also be looking at writing for different purposes and audiences.

Science

In Science we will be looking at the human body. This will include looking at how the circulatory and digestive systems work, as well as how all the parts of our body work together as a whole. This will also link in to looking at a healthy lifestyle.

Geography

In Geography we will be looking at the Amazon rainforest. This will include how the rainforest is structured, the plants, animals and humans that live there and the threats the rainforest are facing.

Art

The class will be working on a project this half term linked to the Amazon Rainforest. This will explore animals in art, looking at using different styles and techniques to create original pieces of art.

Kestrel Class Summer Term

RE

In RE we will be finishing our topic on Judaism with a visit to the Synagogue, before moving onto a topic looking at the beliefs of Islam.

ICT

In ICT we will be carrying out a project on animation, using video and audio recordings to create a short animated film about the Amazon Rainforest.

PE

The class will be receiving athletics coaching from Mr Rickets (Mondays) and working on team games with Mr Vincent (Wednesdays).

Spanish

The class will continue to be taught Spanish by Mrs Hawkins.

History

This term in history we will be looking at Native Americans, exploring their history, culture and beliefs. This will include looking at myths and creating Native American artefacts and art in outdoor learning.
