

English

In English we will create pieces of work around the Stone Age. This will include diary writing, descriptive techniques and story writing. We will also be looking at more technical aspect of writing and ambitious vocabulary.

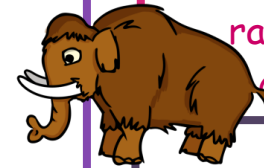

The Stone Age

Autumn Term 1

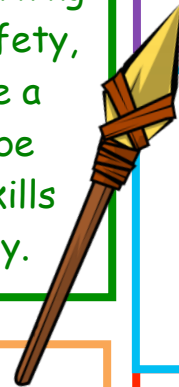

Art

We will be creating cave paintings using natural materials on a rough background to tell stories.

Science

In Science we will be looking at electricity. This will include learning about circuits and electrical safety, using our knowledge to create a home burglar alarm. We will be developing our investigation skills through working scientifically.

French

Mrs Hawkins will be teaching the children in Kestrel class French, focusing on conversational skills.

History

In our topic on the Stone Age, we will be looking at life in the Stone Age, houses, problems faced and ways of interpreting non-written historical evidence.

Music

We will be learning how to play the steel pans this term, working collaboratively as a class to produce a piece of music.

ICT

ICT this half term will focus on technology safety. Children will learn how to use technology safely and responsibly being able to recognise acceptable and unacceptable behaviour. Understanding and identifying a range of ways to report any concerns they may have.

PE

The class will be training for an interschool mini athletics competition with Miss Porteous. We will record their times and distances with sprints, distance runs and throwing activities.

PSHEE

Kestrel Class will be looking at topics relating to their time during COVID-19. We will be focusing on well-being and mindfulness, giving them the chance to express themselves and feel safe at school.
