

# World War I

Autumn Term 2

## English

In English we will centre our work on World War I. This will include looking at war poets, letter writing, diary writing and newspaper reports. We will be using original resources as inspiration.

## Science

In Science we will be looking at electricity. We will look at using symbols to draw circuits and then creating them using different components. We will also be creating circuits to solve different problems and design briefs.

## History

In History we will be looking at World War I, including life in the trenches and at home. We will create a new report and look at Christmas in the war.

## Art

The class will work on several Art projects linked to our topic including silhouettes and embroidery.

## DT

In DT we will be working on projects linked to Electricity. We will also be creating animations about the Battle of Gallipoli.

## RE

In RE we will be looking at festivals and celebrations linked to the Christian faith.

## ICT

ICT this half term will focus on word processing and research skills. We will learn how research a topic, then to add pictures and text to documents and edit them for effect.

## PE

The class will be receiving basketball coaching from Mr Hetherington (Tuesdays) and working on hockey with Mr Vincent (Wednesdays).

## French

Mrs Hawkins will be building up their vocabulary with common topics and key words.

## PSHEE

Kestrel Class will be taught PSHEE by Mrs Hawkins. They will be looking at the golden rules and having respect for one another.
