

English

In English we will be looking at creating stories, based on an adventure in the rainforest. We will also be looking at information texts and descriptive writing using more advanced language and punctuation.

Science

In Science we will be looking at states of matter and what causes materials to change from a solid, liquid or gas. We will be aiming to carry out a range of experiments to improve their investigation skills.

Geography

In Geography we will be looking at the Amazon rainforest. This will include how the rainforest is structured, the plants, animals and humans that live there and the threats the rainforest are facing.

Art

The class will be working on a project this half term linked to the Amazon Rainforest. This will explore animals in art, looking at using different styles and techniques to create original pieces of art.

RE

In RE we will be learning about Judaism and Jewish beliefs and way of life.

Music

The class will have Djembe tuition this term.

ICT

In ICT we will use different devices to carry out research and using video and audio recordings to create a short animated film about the Amazon Rainforest.

PE

The class will be receiving coaching from Ms Porteous on a Monday (focusing on invasion games) and swimming on a Tuesday.

French

The class will be taught French by Mrs Hawkins.

History

This term in history we will be looking at Native Americans, exploring their history, culture and beliefs. This will include looking at myths and creating Native American artefacts and art in outdoor learning.
