

# Curlew Class Maths Overview 2021 - 2022

## Summer Term

Week	Block	Objective
1	Multiplication and division	- Multiply and divide mentally - Factors
2		- Multiply 3 & 4 digits by 1 digit - Multiply by a 2 digit number
3		- Divide 3 & 4 digit numbers with and without remainders - Problem solving
4	Statistics	- Interpreting graphs - Comparison, sum, difference - Line graphs
5		- Tables including timetables - Interpreting line graphs - Solving problems with line graphs
1	Measures	- Area - Square and cube numbers - Volume
2	Geometry - Properties of Shapes	- Triangles and quadrilaterals - Regular and irregular polygons - Symmetry
3		- Angles (measure and draw) - Calculating angles
4		- Calculating lengths and angles - Reasoning about 3D shapes
5	Measures	- Compare Volume - Estimate - Capacity
6		- Perimeter and area
7	Revision	- Revision of all areas - Assessment
