

English

In English we will centre our work on World War I. This will include looking at war poets, letter writing, diary writing and newspaper reports. We will be using original resources as inspiration.

Science

Spring 1: Circulation- we will look at how the circulatory system of the heart, lungs and blood vessels works within the body.

Spring 2: Digestion- we will look at the digestive system, including teeth, and the importance of a healthy diet.

History

In History we will be looking at World War I, including life in the trenches and at home. We will create a news report and look at Christmas in the war.

World War I

Spring Term

Art

The class will work on several Art projects linked to our topic including silhouettes and the artists of WW1.

ICT

ICT this half term will focus on word processing and research skills. We will learn how to research a topic, then to add pictures and text to documents before editing them for effect and different audiences. We will also be completing a unit on E-Safety, thinking about our online presence and digital responsibilities.

PE

Ms Porteous will be teaching the children hockey skills. They will be practicing how to dribble, pass and stop the ball effectively over a range of fun challenges. They will also have the opportunity to take part in the Northumberland Year 6 Virtual Hockey Competition.

RE

In RE we will be looking at Buddhism, including the story of Buddha, Buddhist beliefs, culture and temples.

French

Mrs Mason will be building up their vocabulary with common topics and key words.

PSHEE

In PSHEE we will be looking at growth mindset and the power of positive thinking, encouraging self-reflection and discussion.
